

SPEAKER BIO

Tammy Toney-Butler is the Founder and President of [Reflective Spaces Ministry](#), a 501c3 non-profit organization working directly with adult and adolescent survivors of human trafficking and sexual assault on their journey to become whole. Tammy is a survivor leader and has a free faith-based healing ministry located on the grounds of [A&K Ranch](#) in Fort Myers.

Tammy is a published author and subject matter expert on human trafficking and trauma-responsive care. Tammy has publications featured in the National Library of Medicine (PubMed) and is an international and national speaker on human trafficking.

Tammy's extensive presentation list includes speaking at the United Nations and World Health Organization's Year of the Nurse and Midwife Civil Society Briefing, The National Association of Pediatric Nurse Practitioners Long Island Chapter, American Nurses Association's General Assembly, The National Society of the Daughters of the American Revolution, and the Naples Woman's Club Empowering Woman's Luncheon.

She is a staunch advocate for survivor reform and providing environments for transformational healing as she fights to abolish modern-day slavery.
